

Student Intern IHCHS Checklist

Before the Internship Office will approve your IRAMS application, allowing you to register for the course, you must provide documentation that all requirements outlined below have been completed. Please e-mail PDFs of all necessary documentation to internship@byu.edu. There are scanners available in the library to create PDFs of these documents. If necessary, you may bring physical copies of the documentation to the Internship Office in 5435 HBLL or fax them to 801-422-0172. If you indicate below that you are a current Intermountain Healthcare employee and have already completed these requirements prior to your employment, you do not need to provide this documentation to the Internship Office—signing and dating this section will act as the necessary verification.

- I am a current Intermountain Healthcare employee or volunteer.** The requirements below were completed as a condition of my employment or volunteer acceptance (if after April 1 1996).

Student Name (print) _____

Student Signature _____ Date _____

If you are not a current Intermountain Healthcare employee or volunteer, submit the below documentation to the Internship Office.

Student Name (print) _____

Immunizations

- Tuberculosis screening requirement.** One of the following is required:

- (a) 2-step TST (two separate Tuberculin Skin Tests, aka PPD tests) within twelve months of each other. The last TST should be completed at the time the student begins their rotation at an Intermountain facility.
- (b) One (1) Quantiferon Gold blood test with negative result.
- (c) If previously positive to any TB test, student must complete a symptom questionnaire and have a chest x-ray read by a radiologist with a normal result. If chest x-ray is abnormal, the student needs to be cleared by their physician or local health department before beginning their rotation at an Intermountain facility.

- Measles (Rubeola), Mumps and Rubella requirement.** One of the following is required:

- (a) Proof of two (2) MMR vaccinations.
- (b) Proof of immunity to Measles (Rubeola), Mumps, Rubella through a blood test.

- Hepatitis B requirement.** Has completed a three (3) dose series of Hepatitis B vaccine if the assignment may involve exposure, or potential exposure, to blood, body fluid or tissue specimens. Has provided documentation of Hepatitis B surface antibody results although routine Anti-HBs testing is not recommended if titer was not obtained 1-2 months after original vaccine series.

- Varicella (Chickenpox) requirement.** One of the following is required:

- (a) Proof of two (2) Varicella vaccinations.
- (b) Proof of immunity to Varicella through a blood test.
- (c) Healthcare Provider documentation of Varicella disease.

- Tdap requirement.** Proof of one (1) Tdap vaccination after age 10.

- Flu Vaccination requirement.** Proof of current, annual influenza vaccination.

- Passed a criminal background check** and is not listed on the sex offender website (<http://www.nsopw.gov/Core/Portal.aspx?AspxAutoDetectCookieSupport=1>) or any successor website hereto.

- Passed a standard SAM 5 drug screen.**

****Once these requirements are complete and you begin your internship at Intermountain Healthcare, contact the Intermountain Student Programs Coordinator for orientation on facility policies and security information.**

Background Check Information

College of Nursing Advisement Center
 551 SWKT Provo, UT 84606
 801-422-5652
 M-F from 8am-5pm

Students turn the completed form and check for the appropriate amount into the Nursing Advisement Center and pick it up once the background check is finished and send it to the Internship Office. Please write a check for \$33 payable to the BYU College of Nursing only if both addresses listed below have the same county. If your current address has a different county than your previous address you must pay \$41.00. If you are from any of the counties in the below tables you have additional fees. Please check the counties and add the appropriate fee to your total amount. **Additional fees may be required for multiple residencies. You will be billed for the additional fees. All this information is necessary for the College of Nursing Advisement Center to complete a background check on you.**

First Name		Middle		Last	
Also Known as (i.e. alias or maiden names)					
Social Security Number		Date of Birth (MM/DD/YYYY)		Sex	<input type="radio"/> Male <input type="radio"/> Female
Do you admit to any criminal conviction other than minor traffic violations?				<input type="radio"/> Yes <input type="radio"/> No	

Current Address

Street				City	
State		Zip		County (NOT Country)	

Previous Address

The address where you have lived the longest in the past 7 years, preferably your permanent address

Montgomery	Westchester

Resources for Criminal Background Check, Fingerprinting, Drug Screen and Immunizations

GENERAL INFORMATION—In the event an internship provider requires a background check, fingerprinting, drug screening and/or immunizations; it is the student’s obligation to arrange and pay for any such requirements. It is the student’s obligation to comply with such requirements when requested by the internship/experience provider; otherwise, the internship/experience provider has the right to not accept a student as an intern.

PROCEDURES—The background check, drug screen, or fingerprinting will be initiated by the student if required as part of the process for obtaining a desired internship. Please allow six to eight weeks to complete the process. Failure to submit materials may result in not being able to participate in the chosen internship. **All expenses associated with background checks, fingerprinting, drug screening and immunizations are the sole responsibility of the requesting student.** The following information is provided solely to assist you in these efforts.

LOCATIONS—These lists are provided to help students choose and fulfill the internship/experience provider’s requirements if no other options are available. It is not intended to replace personal physicians, university clinics, or any other credible services. Always be sure to double check times and locations by calling the organizations below.

Background Checks				
Company	Address	Telephone	Hours	Cost
College of Nursing Advisement Center	551 SWKT Provo, Utah 84606	801-422-5652	open M–F 8:00 am–5:00 pm	\$33.00, starting cost. Additional fees may apply if a student has lived in more than one county or has had a last name change. See Background Check form for specifics. Students turn the completed form into the Nursing Advisement Center and pick it up once the background check is finished and send it to the Internship Office.
Bureau of Criminal Investigation (BCI) www.publicsafety.ut.gov/bci	3888 West 5400 South Taylorsville, UT 84129	801-965-4445	open M–F 8:00 am–5:00 pm	\$15.00. You may obtain a copy of your Utah criminal history in person or through mail. Go to www.publicsafety.ut.gov/bci then click on “Criminal Records” then “I need to obtain a copy of my Utah Criminal history.” Fingerprints are required to get a background check.* A third party release is required to send the information directly to the Internship Office.

* The Bureau of Criminal Identification can do fingerprinting, and process both your state and federal background check, but it may take longer to get the results, and it may cost more.

DRUG SCREEN				
Company	Address	Telephone	Cost	Note
Orem WorkMed	830 N 980 W, Orem	801-724-4000	\$28	Need photo ID
Orem Work Care	601 N 1200 W, Orem	801-224-4211	\$30	Need photo ID
Occupational Health Center International (OHCI)	1097 S Orem Blvd, Suite 1, Orem (There is also one in SLC)	801-561-2777	\$40	Student Discount is \$27

A Five-panel drug screen is required for Intermountain Health Care. Drug screen results should be available in about 24 hours for you to pick up and send to the Internship Office. The costs associated with a Nine-panel drug screen may vary, but are usually around \$30 to \$40. If you are outside of Utah, a hospital may conduct a drug screen. A Nine-panel drug screen tests for Amphetamines (including Methamphetamine), Barbiturates (such as Mephobarbital [Mebaral] and Pentobarbital Sodium [Nembutal]), Benzodiazepines, Cocaine Metabolites, Marijuana Metabolites, Methadone, Methaqualone, Opiates (including Codeine, Morphine, and Heroin) and phencyclidine (PCP). A Five-panel drug screen tests for Amphetamines (including Methamphetamine), cocaine metabolites, Marijuana Metabolites, Opiates (including Codeine, Morphine, and Heroin), and Phencyclidine (PCP).
